

Call for Presentations Proposal Form

Due July 31, 2020

We are excited to offer the opportunity for self-advocates to share their knowledge and experience with their peers during breakout sessions at **Mission Inclusion: the 8th Annual FL SAND Conference**! Presentation proposals will be reviewed by self-advocates and conference planners, who will then provide recommendations for selection to the executive committee of the board of directors. Presentations (including interactive activities or Q & A) must be no longer than 45 minutes. All presenters must complete this form by the deadline to be considered. You may submit your answers by email but please re-type the questions below before you type your answers in the email. Be sure to keep a copy of your form. As you complete the proposal form, please consider the following selection criteria.

- Preference will be given to active FL SAND group members
- Preference will be given to topics related to the conference theme of community inclusion (in employment, transportation, housing, health care, etc.) and topics that involve a strong self-advocacy focus
- Reviewers will be looking for evidence in your proposal that you will include activities or exercises to engage your audience
